Dear High School Guidance Counselor:

The **Willoughby Hills Lions Club** will award three (3) **\$1500 Continuing Education Scholarships** to students from **Willoughby Hills** who excel in **WILLOUGHBY HILLS INVOLVMENT, COMMUNITY INVOLVEMENT, EXTRACURRICULAR ACTIVITES, AND INTEND TO PURSUE CONTINUED EDUCATION.**

Awards are determined without reference to family financial background.

My committee receives copies of all applications without names, schools, and churches and we vote for the three best applicants based on the below criteria.

Additional qualifications are as follows:

- A. The student **MUST** be a resident of Willoughby Hills.
- B. The student **MUST** have a high school grade average of C+.
- C. The student **MUST** graduate with his/her class.
- D. A grade transcript indicating the student's present grade average in high school is required, along with a statement from the school advisor indicating that the student should graduate.
- E. The student **MUST** include the names of all Colleges and/or Technical Schools they have or will be applying to.
- F. Enclose a brief essay of 200 words or less telling about yourself, your family, your accomplishments, your goals, and your immediate plans for continuing education.
- G. The student **MUST** have **THREE (3)** personal recommendations.
- H. Scholarship must be used in the same calendar year as awarded.

We want to be certain that some deserving student does not get left out from this program because he/she did not get an application. We would appreciate any help you can give locating these Willoughby Hills Students.

Thank you for your help. Please call me if you have any questions.

Sincerely yours,

Florine O'Ryan
